

Bethan Pugh

.....

“In my first half term at William Brookes Sixth Form I was selected to attend the Coubertin Youth Forum in the Czech Republic. It was a great experience where I had the opportunity to make friends with other Sixth Form students. I would definitely recommend choosing to come to William Brookes! Everybody is included and you really feel part of a community.”

.....

“Having studied Music at Sixth Form for only a short time, I already find it challenging and rewarding. Being a vocalist in a band, I am used to performing and the school puts on many concerts, which my band has played at. I am sure I will enjoy the next two years of Sixth Form life as much as I have the first few months.”
